Funded by Cork City Council, the Discover Cork: Schools' Heritage Project 2020 (Cork City Edition) is in its 17th year and is open to schools in Cork City. The Project is an initiative of the Cork City Heritage Plan.

The City Edition of the Discover Cork: Schools' Heritage Project (est. 2002/03) is aimed at both primary and post primary level. Project books may be submitted on any aspect of Cork's rich past. Suggested topics are over the page. The theme for this year's project is **"The Past and its Legacy"**.

FREE and important project support in the form of funded workshops led by Cllr Kieran McCarthy in participating schools will be held in October 2019. This is an hour workshop to give participating students ideas for compilation and resources.

FREE Workshop support is also available to schools who have never entered before and wish to have a workshop to see how the project works.

The fourth-class level is open to fourth class students. The primary senior level is open to students of fifth and sixth class. Post primary entrant/s will be placed in Junior

Certificate or Leaving Certificate levels. The post primary level is open to any year from first to sixth year. A student may enter as an individual or as part of a group or as part of a class project.

The overall Project continues to encourage and work with Cork students in celebrating, highlighting, debating and creating fresh approaches to our cultural heritage. Research and creativity are encouraged in an effort to create relevancy, awareness and appreciation of the past amongst young people. The Project also focuses on students gaining acknowledgement and self-confidence from their work.
